COOLNOMIX: 47% REDUCTION IN AIR CONDITIONING RUNNING COSTS FOR MCDONALD'S IN AUSTRALIA

Agile8 is delighted with the performance of our COOLNOMIX™ energy control system in trials with McDonald's. During Sydney-based testing COOLNOMIX™ delivered a staggering 47% reduction in operating costs while maintaining air conditioned temperatures at 23 deg C (73 deg F). For more details see 'COOL NEWS' at www.coolnomix.com.

AGILE8 VENTURES LAUNCHES COOLNOMIX

COOLNOMIX™ is now launched as a 'Technologies for a Beautiful Planet' is venture!! See www.coolnomix.com..
